Hi Peter,

At your convenience, could you provide me with the QC folders for the following standards? You can leave them on the desk in MS, I just need to make copies of the original and current preparation of the standards.

Cocaine/Codeine  
Cocaine  
Heroin  
Methamphetamine  
Amphetamine  
MDMA (non-base & base)  
MDA (non-base & base)  
BZP

Let me know when they are ready.

Thanks.

Annie
